

## **MEMORANDUM OF AGREEMENT**

Date: 10 Feb 2020

As allowed by RSA 36-A, the Conservation Commission shall utilize funds from the Conservation Fund as outlined below:

1. Subject to the approval of the Select Board, for all land purchases, easements, executory interests, and receipt of gifts, grants or money, and property, both real and personal, by the Commission. When requesting approval, the Commission shall incorporate the projected costs of stewardship.
2. Survey and appraisal costs associated with the development of conservation easements.
3. Associated costs of a natural resources inventory.
4. Educational outreach programs for community awareness.
5. Municipal legal costs for conservation.
6. Stewardship: Maintenance, improvement, or enhancement of existing conserved lands, especially for public access.

The legislative body (Town Meeting) may provide additional funds for the above expenditures through the operating budget, capital reserve funds, current use tax receipts, or bonds.
